Community Pre-ETS Workshops

Zoom
4-5pm

1/13- Independence in the workplace- Youth will discover the importance of independence in the workplace.

1/20- Advocacy in the workplace- Youth will discover the importance of advocacy in the workplace. The group will also go over some times for workplace advocacy.

1/25- Workplace vocabulary- Youth will learn about workplace vocabulary and its importance for success.

1/28-Financial responsibility. **Sign up required no later than 1/21******
This is an in person workshop at CLW's new office. The group will learn about monthly bills, how to budget, necessities, needs vs wants.

1/30- Transportation- The youth will learn about different transportation options. This will cover public and private transportation. We will also discuss conversations that youth should be having with their families if there is no public transportation options.
